Baby, I got a problem  
Don't know what to do  
Baby, I got a problem  
I don't know what to do  
Can't find no words to describe you, woman  
None I got will do

I gonna search a dictionary  
I find new words to use  
Gonna search a dictionary  
Find new words to use  
Woman, you defy me  
Ain't no words to choose

Baby, I'm rackin' my mind  
Baby, I'm rackin' my mind  
No, I can't count  
Baby, rackin' my mind  
I can't find  
Any words

Tell me woman  
You got a hold on my mind  
My, my, my, my, my, my  
You sure are the strangest kind  
Got no words for you, baby  
Ain't no words I can find

Now I know what to call you  
Know what to call you, baby  
I know what to call you  
Know what to call you  
You're the world's worst woman  
The Devil ever made

Now I know you, baby  
Now I know you, girl  
Now I know you, baby  
You'll find no new guy  
I know baby  
I sure 'am blind
