Ah smokestack lightning
Don't ya hear me callin'?
Don't ya hear me callin'?
Woah

Tell me, where did you go last night?
I gotta know who you been with
Tell me, where did you go last night?
Woah

You gotta stop your train
Let me go for a ride, pretty baby
You know
Stop your train I gotta ride with you
Gotta ride with you
Gotta ride with you

Tell your world goodbye, pretty baby
Tell your world goodbye, goodbye

Never see you no more, pretty baby, goodbye
Goodbye, goodbye
Goodbye, goodbye
Goodbye, goodbye

Hey smokestack lightning
Shinin' like gold
Don't ya hear me callin'?
Woah

You gotta stop your train
Let me go for a ride,
Gotta ride with you

Stop your train, I'll ride with you
