Yeah, smokestack lightning  
Don't you hear me callin'?  
Don't you hear me callin'?

Tell me where did you go last night?  
I gotta know who you've been with  
Tell me where did you go last night?

You gotta stop your train  
Let me go for a ride, pretty baby, you know  
Stop your train, I gotta ride with you  
I gotta ride with you  
I gotta ride with you

Fare you well, goodbye, pretty baby  
Fare you well, goodbye, goodbye  
Never see you no more, pretty baby, goodbye

Goodbye, goodbye  
Goodbye, goodbye  
Goodbye, goodbye

Yeah, smokestack lightning  
Shining like gold  
Don't you hear me callin'?

You gotta stop your train, let me go for a ride  
I gotta ride with you  
Stop your train and ride with you
