Strollin' on 'cause it's all gone  
The reason why you made me cry  
By tellin' me you didn't see  
The future bore our love no more

If you want to know I love you so  
And I don't want to let you go

I'm strollin' on  
Gonna make you see  
I'm strollin' on  
Find you really love me

I'm strollin' on  
Be your turn to cry  
I'm strollin' on  
You wish you'd never lied

You're goin' to change your mind  
But you ain't gonna find  
Any more of my kind

I'm strollin' on 'cause it's all gone  
The reason why you made me cry  
By tellin' me you didn't see  
The future bore our lovin' no more

If you want to know I love you so  
I don't want to let you go

I'm strollin' on  
I'm gonna make you see  
I'm strollin' on  
Find you really love me

I'm strollin' on  
Be your turn to cry  
I'm strollin' on  
You wish you'd never lied

You're goin' to change your mind  
But you ain't gonna find

Any more of my kind
