Out here in the quiet of the night
Beneath the stars and moon
We both know we got something on our minds
You won't admit but it's true
You look at me
I look away

CHORUS:

I wanna tell you what I'm feeling
But I don't know how to start
I wanna tell you but now I'm afraid
That you might break my heart
Oh why should anything so easy
Ever be so hard to do
I wanna tell you what I'm feeling
and to say that I love you

I practice all the things that I could say
Line by line, every word
I tell myself today would be the day
But every time I lose my nerve
I look at you
You look away

CHORUS:

I wanna tell you what I'm feeling
But I don't know how to start
I wanna tell you but now I'm afraid
That you might break my heart
Oh why should anything so easy
Ever be so hard to do
I wanna tell you what I'm feeling
And to say that I love you

Why?
Why do you turn away?
It must be you're afraid like me.
I try but I can't pretend that I
Don't feel for you the way I do
Can't you see?

I wanna tell you what I'm feeling

But I don't know how to start
I wanna tell you but now I'm afraid
That you might break my heart
Oh why should anything so easy
Ever be so hard to do
I wanna tell you what I'm feeling
And to say that I love you

(Chorus repeats until fade)
