Verse 1:I got a tough girl in my corner,
every nigga on the block says they want her,
shes tough until things get scary,
she runs to me whenever she needs me,
shes got a pretty face and a nice body,
I was suprised when she told me she liked me,
she like that honey eatin' bear Pooh Bear,
shes got silky hair and not nigga hair,
I tell ya shes a talkative chick,
She don't play no one to fuck with,
shes also smart and got pretty eyes,
got a nice walk and got a nice but,
I can stay with her until the very end,
shes not just my lover,shes my best freind,
shes the best chick that's why I luv her,
I got the best chick in my coner

Verse 2:I got thugs, gangstas, huslas, in my corner,
never bitches, chumps, bustas, in my corner,
gorrilla niggas that do the damn thang,
wild niggas that look like orangatangas,
niggas that aint scared to bust a clip,
when the laws come, man its time to dip,
we bust rolls make girl wet in they panty holes,
we pimp hoes that drive bo-bos and rodeos,
we ride tight whips all day long,
we might ride all day and nver go home,
man this aint shit but a everyday routine,
plus we gotta make that green,
niggas do dumb shit they ass is grass,
it aint a thing to put the mag in ya' ass,
niggas HOODLUM than made a path
nigga I got 3-4 Park Ave. in my corner
