Do you know the muffin man  
The one and only muffin man  
He lives on f\*\*\*ing drurey lane  
He makes us want to go insane

Pattycake, Pattycake bakersman  
bake me a cake as fast as you can

Make a twinkie for Jake and I

While your at it make me a pie

Why can't we bake our own cakes,  
your taking away our fun Mr. Muffinman

We need our zingers and ho-hos and twinkies  
just to put a smile on our face

Why don't we steal an ice cream truck  
Sorry but I Think I'm gonna upchuck(what!)

What was in those muffins  
we know that it was something

Tell me...WHY

Girls who don't like shaving  
on the dancefloor raving

Don't you know it's sick as hell  
I can't think of anything that rhymes with hell

Stop the music this ain't going right

What the hell turn on the lights  
(We are screaming with no music isn't this all so  
amusing

Disco, disco motherf\*\*\*er Disco, disco(Sunlight  
serenade)[x8]

Blake(x8)
