Girls all over the globe I come/
Scoop you in that Coupe, sittin on deuce-deuces/
Fix your hair in the mirror, let's roll//

By seven cars when ain't nobody around/
See why I stay with some cars whenever I'm with a
broad now let's get down/
I had this girl that was taller than me I'm about six foot

The nicest brown skin cause she got it like that/
Her named was Stephanie she almost got the best of
me/
But she got less of Dee and I/
Took her to a dance with me that was just the wrong/
Place to be these girls chasing me so/
I had to leave the later on retrieve her it took a little
while cause I wasn't done with Mica/
She'll look better than ever once she hit 18/
My life style is better cause this ain't no dream/
