Insight into the one sublime magnified  
Unspoken sacred oath the universe in all life  
Dawn of the rising sun burning the timeless  
Living equilibrium of the Kosmos

Chorus

Clear light-personified divine-clear light-no thing is  
denied expansion-pervading the void-Kosmos-vast  
eternal sky

Atoms vibrate

The chanting begins  
Hymns to the funeral pyre  
Give birth to tomorrow's dead  
Subsonic sage drones reach to the stars  
With ancient insights into the Kosmos

Chorus

Oh mani padme hum  
Oh mani padme hum  
Oh mani padme hum  
Each thought creation's dawn  
Each breath one with the all  
Hearts pulsate with the mantra  
Vibrant in the Kosmos

Faith of fear

Empire of old  
Fear in disguise  
Seething false power  
The empire withers and falls  
The world revealed  
To be in the mind  
To be in the mind

Personified divine

The dreamer sleeps no more  
No thing is denied  
The whole drama is witnessed  
Diverse in the void  
The Kosmos is within

Within us within us  
Within all
