grabbed the iphone out the pocket like polly
i said i know i just met you today but its so much that
i gotta
say so aye

[Chorus] Mateo Amarei & Young Rocky

you make me wanna do things ive never done
take every other female and let em go
and move you to the top spot
the number one (and i dont know what you doin to me)
cus
its nothin like your first love
and i think your my first my love
its nothin like your first love
and i think your my first my love

[Verse 2] Young Rocky

so its been a minute and now im feelin like you might

about you
because i know i love when you call and when i get a
text message sayin

picture mail girl you fine as hell and they say love

for suckers but i caint tell
cus if lovin you wrong i aint tryna be right if this

then girl imma fight day and night cus you lookin like
my future wife
and i can see us chillin in my future life
[Chorus] Mateo Amarei & Young Rocky
you make me wanna do things ive never done
take every other female and let em go
and move you to the top spot
the number one (and i dont know what you doin to me)
cus
its nothin like your first love
and i think your my first my love
its nothin like your first love
and i think your my first my love

[Bridge] Mateo Amarei

and i just wanna hold you in my arms and protect you
from
any kind of harm,i wanna be that one
