I Was Born In The Air  
I've Got Birds In My Hair  
See Me Dance In The Sky  
Ah Baby Watch Me Fly  
I'm A Dark Night Word  
Bat Bird, Bible Black, Love Attack.

I Said You Don't Play Poker  
With The Skull Spark Joker  
Don't Play Poker At All  
Don't Play Poker  
With The Skull Spark Joker  
Just Forget It That's All

Well I Had A Party In '44

I Was Mickey Mouse With A Chainsaw  
You Reptile Slime In A Suit Of Tears  
Aw Baby You're Wasting Years  
Oh Give Me Global Apocalypse  
Or Cupid Lips  
Blow It Up, Shoot It Down.

I Said You Don't Play Poker  
With The Skull Spark Joker  
Don't Play Poker At All  
Don't Play Poker  
With The Skull Spark Joker  
Just Forget It That's All
