Life in the city  
Everyone's busy  
Packin' portfolios to kill competition

Hey boss, hey boss, I'm capable of making your life  
easier but I'm drunk on promotions

Can I get you some coffee?  
Can I make you some copies?  
Have you seen my resume? I'm a regular go-getter  
Hey boss, hey boss, I'm capable of making your life  
easier but I'm drunk on promotions

I'll take the slow life  
Like a cowboy strayin' 'cross the open plains  
Wandering without fear of a monday

Hey boss, hey boss, I'm capable of making your life  
easier but I'm drunk on promotions
