Music & Lyrics: Alexander Sklyankin

You - my only chosen one
You - my honey dream come true
You - my fate, you - my sun
You - my joys, you - my woes

Go away, leave me, forget me, erase me
Come back, save me, be with me, love me

I adore you baby
Please don't break my fragile heart
I never forget you baby
Come and be forever mine

I love your sky-blue eyes
I love your sweetness soul
I love your tender mind
I so much love you all

Go away, leave me, forget me, erase me
Come back, save me, be with me, love me
I adore you baby
Please don't break my fragile heart
I never forget you baby
Come and be forever mine

Call me back at any time
I shall come to solace you
So while without me you are fine
I'll find my happiness without you

Go away, leave me, forget me, erase me
Come back, save me, be with me, love me

I adore you baby
Please don't break my fragile heart
I never forget you baby
Come and be forever mine

All guitar solos composed & performed by Sergey
