Music & Lyrics: Alexander Sklyankin

You fake you tell so much lies
You waste the foul in your eyes
You bring the smart in my chest
I hate you. You break down my rest

Your brain is covered with rust
Your heart is stuffed with dust
Your consciousness of pervert
Your conscience deserts
Go and spread your false words
Through the sorts of your horde
How absurd's your rich life
With all your banquets and strife

HATE. I HATE THIS WASTE.
I'M GONNA NEVER RELATE WITH WHAT I HATE AND
NEGATE.
I HATE. I NEGATE. NEGATE THIS WASTE.
I'M GONNA DIVIATE FROM WHAT I HATE AND NEGATE.

So world is just filthy lump
Our freedom's not worth a dump
Our greatest democracy
As new kind of slavery

People live in poverty
Children grow in misery
I have to blame only you
In all our troubles and woes
Live with all your disgrace
I shall spit in your face
Spread through world your shame lies
I shall damn your fouled eyes

HATE. I HATE THIS WASTE.
I'M GONNA NEVER RELATE WITH WHAT
I HATE AND NEGATE. I HATE. I NEGATE. NEGATE THIS
WASTE.
I'M GONNA DIVIATE FROM WHAT I HATE AND NEGATE.

So many government mistakes
So many problems it makes
The whole country it shakes
Global lunacy overtakes

Voice sample: " I HATE! "
HATE. I HATE THIS WASTE.
I'M GONNA NEVER RELATE WITH WHAT I HATE AND
NEGATE. I HATE. I NEGATE.
NEGATE THIS WASTE.
I'M GONNA DIVIATE FROM WHAT I HATE AND NEGATE.

So many government mistakes
So many problems it makes
The whole country it shakes
Global lunacy overtakes

Radio sample: "SECURITY AROUND THE WORLD"
