Lyrics: Sergey Simson

Guitar solo by Sergey Atroshenko

I have been taken with your charms
Your shoulders move, your splendour stature
You - Venus, born by dreaming mind
The patroness of fairy creatures

I have been charmed with sky-blue eyes
They're two lakes fathomless and boundless
In them reflected warm of nights
And flourished light of hope like lotus

I'm charmed with your sensual lips
They're delicate as corals snow-white
If I am sovereign of the deep
I'll cherish them under the canopy of brine

I AM TAKEN WITH YOUR CHARMS

I HAVE BEEN TAKEN WITH YOUR CHARMS

I have been charmed with hair gold
Its wheaten softness, autumn coolness
Skies see there's nothing more I crave
But to plait your hair every morrow

I have been charmed with your sweet soul
It is so clean, naive and chaste
You are angel illumed with turquoise
And descended to the Earth

I'm charmed I can continue so
Scarring and racking my heart
I have been taken with your charms
You cannot image how so much

I AM TAKEN WITH YOUR CHARMS

I HAVE BEEN TAKEN WITH YOUR CHARMS CHARMS...
