Lyrics: Bellhharar Belphegor / Music: Bergelmir  
Arrangements: Fenrir ViernÃ¼vich

After a night of obscurity  
Fighting on behalf of my nebula  
I witness the silent departure  
Of the cosmic twilight  
For the temples where I reject myself  
Souls shout for my name

Through screams and wailings  
With your spectre in ember  
Mirrored by the lost blood  
In the reflex of nostalgic crystal

As in a suffering scream  
As in the hope that outlines my spirit  
As in the tireless departure  
As in the cosmic twilight

Walking for the Yggdrasil darkness  
For the lands of Midgard  
Untouchable he stays  
As the warrior's scar after the battle

In the middle of the frozen landscape  
The princess of my mortal nightmares  
Through screams and wailings  
With your spectre in ember

Possessor of my powers is made  
And all my destiny disagrees  
I feel the majestic presence  
And I am going to the search of the suffered death

In your wrinkled hands that make to feel cold for the  
forest  
To penetrate my face and to arrive in my spirit  
In your white and pale skin  
I see the tone of the twilight after your death
