(feat. Nine)

[intro]

ahhh shit

get your groove on

show em how you do it lokky here jay, introducing the  
24/7

[Verse1: 24/7]

step into a nemw millinium

wanna see a million with the 5 double o benzito

cum get it and the red bone and come with it

we gonna get it all'n

ya'll gon see how we did it all legitamint

new york city it be shifty strictly for the one'z that move  
quickly

is you with me

i be in the cut like what up with the butter

shut em down like dp'z

move on your infantries strategically

we touch ya and rearrange your frame structure

you need security you mentally and spiritually

malnourished

your style is fragile and underdevelpoed like

premature infants

you couldn't fathom how i'm havin it

[Nine]

baggin it pushin guns to the sun imagine it

run your funds put your half in it

bite your tongues drop the avenit

attract one's like a maginet

ill like reggie in the baby carriage with the ceegar

don't call me neegar respect me like allah

if i ruled the world like escobar

me and my dogs in the resovoir be eatin cavier

for the fuck of it we touchin it nuns like a covenant

give it to ya in details three scales

do way the dope shit we come wit

11.99 retail on dumb shit

[Chorus: 24/7 x2]

yea we about to make you move your feet  
24/7 days a week  
make jus reach your peak  
with the birds and the way that we peak

[Verse2: Nine]

low key like toast be  
just in case blow before you know we airmen like  
tuskegee  
way we flow see  
do a show before we go  
on the diggy low the way we hit your ho with the mo yo  
send yo regards who bend your squads defend yo  
yards  
enter the back door like task force  
specifically give you what you ask for  
like the last four

[24/7]

mc's pass more gas than a fat broad at a buffet  
b-i-g off like puffy  
i been a bad boy since the days of gumby  
flows flow freely from me like diarrhea i don't wanna  
be a playa  
i been in the game way before you came  
so i'll be here when you ghost  
you ain't supposed to sweat that  
we did that and stepped back  
and wit stack like bricks  
24/7 where your head at

[Chorus]

got the bounce on the mic and the drummers on the  
beat  
all in together it's treblehood street  
because no one gives it any  
we gonna give you whut you nee
