You're like a bad bad movie on a Saturday night  
Somehow I can't close my eyes  
The demons were screaming you and me were meant  
to be  
You're like a car crash that I can't look away  
Cheers to the day with some cheap champagne  
Pull it out, I'll throw my heart, I swear I feel no pain  
L-O-V-E I love the way you possess me  
The bloody evidence is left at the crime scene  
I could have brought you roses or a diamond ring  
That's just material things  
This day I want you to be mine  
I'm your blood stained valentine  
I could have brought you roses or a diamond ring  
They're just material things  
This day I want you to be mine  
I'm your blood stained valentine  
HEYx7  
You're like a bottle of poison I can't resist  
Connect the dots with the razor blade on my wrist  
And watch the blood as it drips from my finger tips  
L-O-V-E I love the way you possess me  
The bloody evidence is left at the crime scene  
I could have brought you roses or a diamond ring  
That's just material things  
This day I want you to be mine  
I'm your blood stained valentine  
I could have brought you roses or a diamond ring  
They're just material things  
This day I want you to be mine  
I'm your blood stained valentine
