I'm making a list
Of who shouldn't exist
And everyone's name is at the top of my list

Run Motherfucker run and hide
Nothing you can do to save your life
Staring at the noose in front of you
Wrapped around your neck until' you're cold and blue

And I've got an obsession with Smith & Wesson Yeah
Yeah
Got a bullet, and a trigger, and a target on your head
Right between the eyes you're better off dead
Bored til death
Nothing to lose
Gonna put a motherfuckin bullet in you
Sick of your lies
And all of your shit
The thought of you living makes me

I'm making a list
I'm checking it twice
Gonna find out
Who's naughty or NICE!

Run Motherfucker run and hide
Nothing you can do to save your life
Staring at the noose in front of you
Wrapped around your neck into you're cold and blue

And I've got an obsession with Smith & Wesson Yeah
Yeah
Got a bullet, and a trigger, and a target on your head
Right between the eyes you're better off dead
Bored til death
Nothing to lose
Gonna put a motherfuckin bullet in you
Sick of your lies
And all of your shit
The thought of you living makes me

[Solo]

and I've got an obsession with Smith & Wesson Yeah
Yeah
Got a bullet, and a trigger, and a target on your head
Right between the eyes you're better off dead
Bored til death
Nothing to lose
Gonna put a motherfuckin bullet in you
Sick of your lies
And all of your shit
The thought of you living makes me Siicck!
