Take my hand, and you will never see the daylight
again
Come in, Come in
To the blood red chapel of sin
Inside
You will see
The horrors of reality
Now beg
Now scream
Bow down and bleed for me
You got blood?
We'll take it
Come on in, Into the chapel of blood
You got blood?
We'll take it
Come on in, Into the chapel of blood
Now don't be afraid as I mutilate you with this blade
Your body, it lays
In a pool of blood on this blade
I won't forget
The beauty of your blood as it drips
Now beg
Now scream
Bow down and bleed for me
You got blood?
We'll take it
Come on in, Into the chapel of blood
You got blood?
We'll take it
Come on in, Into the chapel of blood
Into The Chapel of Blood
Into The chapel Of Blood

Solo

Bow down and bleed for me
You got blood?
We'll take it
Come on in, Into the chapel of blood
You got blood?
We'll take it
Come on in, Into the chapel of blood

Into the chapel of blood
Into the chapel of blood
