I'm at the end of my noose
I've got nothing to lose
I'm digging my own grave
And that's the truth

My self esteem is low and I'm so high
And I don't give a fuck if I live or die
Just bury me in my self pity
Can't even get myself to talk to me

I'd kill myself but it wouldn't help
Can't someone put me out of my misery?
I'm going down, I was born to die
I'm going down, now I'll say goodbye

Crash crash, crash crash, crash crash
It's a hit, it's a bang, it's a smash
Crash crash, crash crash, crash crash
It's a hit, it's a bang, it's a smash

Throw in the towel, it's over for me
I fell right out of the ugly tree
I cross my heart and I hope I die
But I sure fucking hope, if I even try

To dumb to die, to smart to live
Those are the choices that I'm left with
Eeny meeny miney mo
Bombs away motherfuckers, here I go

I'm going down, I was born to die
I'm going down, now I'll say goodbye

Crash crash, crash crash, crash crash
It's a hit, it's a bang, it's a smash
Crash crash, crash crash, crash crash
It's a hit, it's a bang, it's a smash

Crash crash, crash crash, crash crash
It's a hit, it's a bang, it's a smash
Crash crash, crash crash, crash crash
It's a hit, it's a bang, it's a smash

Crash crash, crash crash, crash crash
It's a hit, it's a bang, it's a smash
Crash crash, crash crash, crash crash
It's a hit, it's a bang, it's a smash
