Sobriety is so far away from me
I don't want no part of it
I'm following my dreams
I got no reason for the things I do
Don't care what's right or wrong
Don't care about you
I need a fix to fuel my appetite
A boulevard of drugs, the path I walk tonight

So drug me baby, Drug me baby
So drug me baby, Drug me to hell
So drug me baby, Drug me baby
So drug me baby, Drug me to hell

Cocaine, meth and acid, ecstasy
Get used to my abuse now motherfucker
I'ma following my dreams
I got no reason for the things I do
Don't care what's right or wrong
Don't care about you
I need a fix to fuel my appetite
A boulevard of drugs, the path I walk tonight

So drug me baby, Drug me baby
So drug me baby, Drug me to hell

So drug me baby, Drug me baby
So drug me baby, Drug me to hell

I got no reason for the things I do
Don't care what's right or wrong
Don't care about you
I need a fix to fuel my appetite
A boulevard of drugs, the path I walk tonight

So drug me baby, Drug me baby
So drug me baby, Drug me to hell
So drug me baby, Drug me baby
So drug me baby, Drug me to hell

So drug me baby, Drug me baby
So drug me baby, Drug me to hell

So drug me baby, Drug me baby
So drug me baby, Drug me to hell
So drug me baby, Drug me baby
So drug me baby, Drug me to hell
So drug me baby, Drug me baby
So drug me baby, Drug me to hell
