Shes got something to say to the world  
She wants to know if she could tie it up  
So it can't move, she is feeling inspired  
She said it's too cool for it's own good

Shes kinda freaky  
Shes kinda weird  
Shes kinda freaky  
But i don't know  
I think she's a genius

If she only just slow it up  
Then she could get out really quickly  
She thinks chances are pretty high  
Pretty high  
Pretty high

Shes kinda freaky  
Shes kinda weird (shes kinda weird)  
Shes kinda freaky  
But i don't know  
I think she's a genius

She had that slow motion thing happen  
And she wants to tell you about it  
But you know  
You know  
You know  
She does not trust you  
She knows all you are is luck

Shes kinda freaky  
Shes kidna weird (shes kinda weird)  
Shes kinda freaky  
Shes kinda weird (shes kinda weird)  
Shes kinda freaky (shes kinda freaky)  
Shes kinda weird (shes kidna weird)  
Shes kinda freaky  
But i don't know  
I think she's a genius
