NOW

the time has come why don't you

SAY

we have some fun and we can

PLAY

operation and mutilate pieces of you

NOW

I know now that this may

HURT

but I promise you that I

WON'T

do anything that I wouldn't do to my own mother

and she cries and she begs for her life

it's sad but it's true

all that's left are pieces of you

DE-capitated

NEXT

I amputate all the

THINGS

that I hate but there won't be anything left of you

DE-capitated

NEXT

I'll amputate all the

THINGS

that I hate but there won't be anything left of you

[solo]

and she cries and she begs for her life

it's sad but it's true

all that's left are pieces of you

and she laughs and she cries

and she begs for her life

it's sad but it's true

all that's left are pieces of you

DE-capitated

NEXT

I'll amputate all the  
THINGS  
that I hate but there won't be any thing left of you

Decapitated  
NEXT  
I'll amputate all the  
THINGS  
that I hate but there won't be anything left of you
