She's just the Red Silk Maverick
She's just the Red Silk Maverick

She's sittin' on a bench
And she knows she's a bitch
She's got the shapes and curves just to show it

Got the eyes and the hair
And the looks and the lips
That make guys just like me
Slaves at her fingertips

And I feel like I'm losing my grip on myself
'Cause, oh the things that I'd do
Oh yeah this bitch is sending me straight to Hell

Oh Yeah!
She knows she's got it
The Red Silk Maverick

Now she knows everyone's starin'
But not at what she's wearin'
This little devil has her own seductive plan

And she knows about this
And when she shakes her hips
And starts lickin' her lips
I'd sell my soul for it

These mini-skirt temptations
And the things she's sayin'
I close my eyes and give myself away to it

Oh Yeah!
She knows she's got it
The Red Silk Maverick
