I pledge allegiance to a flag
With a message that's so blurry it's been lost

Social boundaries, shady politicians,
Word smiths, propaganda,
Shady mother fuckers
Drawing lines you shouldn't cross

It could happen to you
It could happen to you
It will happen to you
In the shades of Red, White and Black

I pledge allegiance to no man
Crooked campaigns see the land slain
Take a final stand

Social boundaries, shady politicians,
Word smiths, propaganda,
Shady mother fuckers
Drawing lines you shouldn't cross

It could happen to you
It will happen to you
It could happen to you
In the shades of Red, White and Black

I pledge allegiance to the flag
Of the United States of America
And to the republic
And justice for no one

It could happen to you
It will happen to you
It could happen to you
In the shades of Red, White and Black
