Beautiful woman don't you wanna know  
Where you're gonna be when you leave this Earth?  
The Bible so ambiguous, all religion so incredulous  
Kinda makes you wonder what their covenants' worth,  
no?

I think I know what you mean

Slightly intelligent  
Speech so stunningly elegant  
These holy scumbags will seem to you  
Don't you wanna know why God threatens death and  
pain  
If doubt ever calls His truth?

La da da da da da  
They'll bury you and cry  
La da da da da da  
They'll bury you alive!

Our father who art in Heaven, or is it 7-11  
Selling propaganda for the masses  
Maybe God's a cocaine dealer or driving a sixteen  
wheeler  
Or he's emo with thick framed glasses

I think I know what you mean

Slightly reclusive, omnipotent, abusive  
Without any kind of explanation  
Another tool used for control  
He'll take your life and burn your soul  
Religion! It's such a sensation!

La da da da da da  
They'll bury you and cry  
La da da da da da  
They'll bury you alive!

So if you ever find yourself inside of a room where  
nobody knows your name

There's a place where you can go and everybody  
knows  
That they're victims of this twisted game

La da da da da da  
They'll bury you and cry  
La da da da da da  
They'll bury you alive!
