You think you're little Miss Perfect?
Well, baby, you're not!
You think you're little Miss Perfect?
Well, baby, you're not!

Perfect? No!
Perfect? No!

Twenty bucks says you're not close and
Twenty bucks says you're not close and
Twenty, twenty, twenty bucks says not close

I don't understand what's so hard
To admit you do wrong
I don't understand what's so hard
'Cause we haven't spoke in so long

Well, I guess I will never see the change in you
So I guess I'll just have to accept that you're...

I don't understand what's so hard
To admit you do wrong
I don't understand what's so hard
'Cause we haven't spoke in so long

Well, I guess I will never see the change in you
So I guess I'll just have to accept that you're lame

Can't you just admit that you're flawed?
Just admit that you're fake
Just admit that you're flawed
Just admit that you're...

Fake, that's all you are to the world
That's all you are to the world
That's all you are to the world
That's it you're all to

Fake!
That's it, you're all too fake!
That's it, you're all too fake!

That's it, you're all too fake!
That's all you are to the...

Can't you just admit that you're flawed?
Just admit that you're fake
Just admit that you're flawed
Just admit that you're

Fake that's it, you're all too...

Twenty bucks says you're not close and
Twenty bucks says you're not close
Twenty bucks says you're not close and
Twenty bucks says you're not close
