Hey little sister, what have you done?
Hey little sister, who's the only one?
Hey little sister, who's your Superman?
Hey little sister, who's the one you want?
Hey little sister, shot gun

And it's a nice day to start again
Come on
And it's a nice day for a white wedding
And it's a nice day to start again

Hey little sister, what have you done?
Hey little sister, who's the only one?
Well, I've been away for so long
I've been away for so long
I've let you cope for so long

And it's a nice day to start again
Come on
And it's a nice day for a white wedding
And it's a nice day to start again

Alright, take me back home again
And there's nothing fair in this world
And there's nothing pure in this world
Look for something left of this
Start again

Come on, it's a nice day for a white wedding
And it's a nice day to start again
Alright, it's a nice day to start again
