And I say punks !
And I say punks !

And I say punks,
don't want to live in the daylight.
We're living in the nightlight,
because we are punks.

And I say punks,
don't want to live in the daylight.
We're living in the nightlight,
because we are punks.

And if you think,
we are idiots,
then go along with it,
to find the truth.

We are punks,
We are punks,
Yeah, we are punks
We are punks.

(Female voice: Oh yeah !)

And I say punks,
don't want to live in the daylight.
We're living in the nightlight,
because we are punks.

And if you think,
we are idiots,
then go along with it,
to find the truth.

We are punks,
We are punks,
Yeah, we are punks
We are punks.

(Female voice: Oh yeah !)

And I say punks !
And I say punks !

And I say punks,
don't want to live in the daylight.
We're living in the nightlight,
because we are punks.
