With our hands held high, we're singing
Whoa, whoa oh
Whoa, whoa oh

I'm not afraid to make big mistakes
I'm not afraid to fall flat on my face
I need to get this looked at
Need to get this looked at
I need some time to think about
What I've done
One last thing before I go

With our hands held high, we're singing
Whoa, whoa oh
Whoa, whoa oh
And with our feet we stomp a cadence for you
With our hands held high, we're singing
Whoa, whoa oh
Whoa, whoa oh
And with our feet we stomp a cadence for you

It's all free and that's real
It's all free you said
I need to accept
I need to forget I guess
I'm glad I got this looked that
Finally got this looked at
And I'm so glad
You came for me
We'll get this, get this right before we go

With our hands held high, we're singing
Whoa, whoa oh
Whoa, whoa oh
And with our feet we stomp a cadence for you
With our hands held high, we're singing
Whoa, whoa oh
Whoa, whoa oh
And with our feet we stomp a cadence for you

I am the one who needs you
I am the one who needs you

I am the one who needs you
Oh...

With our hands held high, we're singing
Whoa, whoa oh
Whoa, whoa oh
And with our feet we stomp a cadence for you
With our hands held high, we're singing
Whoa, whoa oh
Whoa, whoa oh
And with our feet we stomp a cadence for you
Whoa
