All around the world, I, see the sunset two times  
Here I go, here I go  
Rocket to the moon, you, outside of this world, you're  
Seeing stars, seeing stars, seeing stars  
(All around the world, all around the world) x2  
All around the world I'm seeing you

I've been all around the world and I've seen a lot of  
girls but I ain't ever seen a girl like you  
I went from Japan to Iceland stayed in a few Tokyo  
hotels till my plane touchdown in England  
Then I touched in Sweden, trying to find a girl that's  
sweet and fly (uhh)  
With those beautiful eyes, sexy thighs, beautiful face,  
undeniable top of the rank  
Hey girl you know iTouch you like an iPad, make this  
clearer for you baby, IMAX  
Number 1 so true, thought the world was flat until I  
saw what was behind you (ayy)

All around the world, I, see the sunset two times  
Here I go, here I go  
Rocket to the moon, you, outside of this world, you're  
Seeing stars, seeing stars, seeing stars  
(All around the world, all around the world) x2  
All around the world I'm seeing you

Paris, Rome, Australia, then home. Went around the  
world searching (uh) for gold  
I can't believe I found the worlds 8th wonder. (We) in  
Africa and she still hotter than summer  
Her body so fine breaking rules of human nature, I  
sailed the seven seas just to get a date with her  
Everything she do is like a fantasy, I can't believe  
this girl became my reality  
Feeling so alive, we eating dinner she sipping wine, I  
just wish that we had more time  
So when I go around the world again (uh) she'll be by  
my side (ayy)

All around the world, I, see the sunset two times  
Here I go, here I go

Rocket to the moon, you, outside of this world, you're  
Seeing stars, seeing stars, seeing stars  
(All around the world, all around the world) x2  
All around the world I'm seeing you

Floating through the solar system, drawing signs I  
can't resist them  
Constellations like tracing silhouettes above the seas,  
I miss them  
Feeling like I gotta save the world, tripping over the  
hearts of those perfect girls  
A hole in her heart that spained my ankle, a flight to  
her may not be able

All around the world, I, see the sunset two times  
Here I go, here I go  
Rocket to the moon, you, outside of this world, you're  
Seeing stars, seeing stars, seeing stars  
(All around the world, all around the world) x2  
All around the world I'm seeing you
