Give it up for me, please..
put your hands in the air..
if you know, whats good for you.
you wanna shake it like you just don't care..

would you please, clap your hands..
now get up on your feet..
i beg of you to get up and dance
its such a crazy kick ass beat!

[chorus]

pardon me
the music is moving
moving from left to right

apologies
for losing my cooling
losing the day to night

since i'm asking so nice..
would you just entertain..
there's nothing left to hide you away
just show a little bit of brain

yes that is what i mean
that's the nail, that i hit
i try to be, as coy as i can
but i wanna see, your naughty bit

would you please, would you please
would you, would you please
(apologies)
[repeat 3x]

CLAP YOUR HANDS!

[repeat chorus]

would you. be nasty. with me
do you like. dancing. with me
i think. we have a. very. special. qaulity

i. want to. show it. to you
i want to. grow it. with you

[repeat chorus]
