## Bird & The Bee "Preparedness"

Do you know who I am I'm alive you understand, the life, the life Check your head I heard a sound Make certain no ones around The sound, the sound, the sound

Do you know where your from Turn around your crumbs are gone around, around, around Are you lost, are you not there, are you shut down Are you prepared, shut down, shut down, shut down

Are you prepared for the atom bomb, are you prepared for my aching arms Are you prepared, are you prepared Are you prepared for serenity, are you prepared to disagree Are you prepared, are you prepared for me
