Hero is standing on me
Can i feel all right?
Of the one mistake I've made;
Can now feel the lie
I live life unfocused now
I spend that time,
I might as well do it right
You stand delivered
I oppose attempts to bury me
Red me from my urges to
Break down
(Fall away)
Be what you wanna be,
When you want, be
Be what you wanne be,
When you want, be
Greed lines up my pockets
So now I'll bury my front line
Release this potion
Mirror reflection in my hand
Dance with you
Find the beast within
This reckless damaged war
I'm in
CHORUS
Suffer
Breeder
Cheated lies follow me
Fall on me, bleed on me
Demons hide inside, I fear this
Writhe, cover, strive, sever
Demons hide inside, I fear this
Writhe, cover, strive, sever
You have got the best of me
You have lost the rest of me
I've fallen down into deep
You have got the best of me
You have lost the rest of me
Break in the mirror I see
CHORUS
Suffer, Breeder,

Cheated lies fall on me
Follow me,
Bleed on me
