I love you, maybe I don't  
Maybe I'll need you, and maybe, baby, I won't  
I guess I don't take the time to let you know what's on  
my mind  
Maybe I've been blind

Maybe I'm crazy, maybe I'm sane  
Maybe I need to go away, start over again  
But if I went away, I'd be afraid I should have stayed  
Maybe I'm afraid that maybe I love you

And believe me when I tell you  
It's because of all the things you say and do  
That help me make it through  
I need you  
But when I try to say goodbye, I realise I won't know  
what to do

If I don't have you

Maybe I love you, baby I do  
I guess I loved you the first time I saw you  
And when I don't take the time to let you know what's  
on my mind  
I know that I'm too damn blind, but baby I love you

Maybe I love you, maybe I don't  
Maybe I'll need you, and maybe, baby, I won't  
I guess I don't take the time to let you know what's on  
my mind  
Maybe I've been blind, but maybe I love you  
I love you
