And ah, and ah..

[Hook: Murphy + Ali]

Ali and Murphy is.. bougie baby
If it ain't ghetto.. it don't move me baby
Got a lake, a pool.. and a jacuzzi baby
But it's still McDonald's.. and a movie baby
Y'all so crazy!

[Ali]

Check, check
I'm at the bar, industry party, caviar
Denim suits, superstar, Cigarette or cigars
Spittin bars to this footer in stilettos
She boughetto, that mean she bougie and ghetto
Bougie cuz her shoes alone cost a grand
Ghetto cuz she cuss too much and talk with her hands
Said she don't fuck wit rap since Mase got saved
But baby got back like mace got spray
You know the bourgeois type, ass boombastic
Maybelline queen, titties all plastic
Niggaz front with they tank on empty
Pay cash for e'rythang cuz the top off her Bentley
I roll the truck slow, the gas; I ease on it
I got a trailer on the back, four-wheeler with D's on it
Got the leather with the G's on it, gangsta gangsta
Gotta get it get it good and...

[Hook: Murphy + Ali]

[Hook 2: Ali + Murphy]

If you got an expensive weave - That's boughetto!
Spend six hundred on weed - That's boughetto!
Benz waggy sittin on D's - That's boughetto!
Tell em what's boughetto - Bourgeois and ghetto!

[Murphy Lee]

Yo Murph is bougie - School boy; ghetto

What more can I say? I'm boughetto
Aiyyo I'm beauf-etto, that's beautiful and ghetto
I got plenty war stories, plenty hood medals
Did alotta wrong with alotta good fellows
But now I got my shit together (Hello!)
I took my hustlin ways from them scufflin days
To eight million copies on my resume
I moved right out the hood, cuz I don't like the hood
I tell all my people to think twice in the hood
The police; man they don't even like us
cause they got Spud and Booneville Trell up in Riker's
And I just like what the money can get
A little head e'ry now just so honey can spit
Chrome tips, a hundred forty four of them shits
And a big ass crib cuz...

[Both Hooks]

[Ali]

A boughetto pimp juice and I know it cuz I come party
late
Smellin like weed, no matter who throw it
I'm in the curl cap, didn't get paid but done a rap
Dem ain't Rolex diamonds - what the fuck you done to
that?!

Throwin trash out the Benz on the highway(gotta
mansion)
With the old school still spillin oil in the driveway
And if it stop, never a towtruck pull me home
Fuck it I keep the socks, and jewelry on
I'm like a pimp in the 80's, a reverend
Preachin it to em, gassin em up like Chev-e-ron
Got the D's the beats and the televis-ion
And my Sprint (Brrrrr..) like a boughetto telethon
But I'm bourgeois forever cuz I got it to spend it
Ghett-o, put Rams on the car that I rented
Trump money, but it's still the motelly Kyjuan
And Slo and Nelly and...
