Straight ahead before me I see  
Castle towers  
Oh no, that means prisoners  
I hear the severed sounds  
Of dark  
And distilled  
Coated hearts  
Who's thoughts are screaming, crying, words of horror  
Fear, and oh  
My dear  
We're gonna change all that  
Change all that  
Change all that  
Change all that  
Change all that  
Change all that  
Yeah  
Dare me not to cry  
Dare me not to cry  
Take my sugar, taste it  
I waste it all the time  
Straight ahead before you I see  
Bumblebees  
Bzzzzzzzzzz  
And they're flying my way  
Buzzing doesn't scare me  
It's the sting that makes me sore  
I don't know about you  
But I much prefer my honey from a jar  
So far that's the way it goes  
That's the way it goes  
And if you're thirsty drink my  
Rise from your knees sir  
I am not worthy  
Clenching your phantom  
Figure for food  
I live within shadows  
Yours is my blessing  
Lost in a passage  
A world within words  
Straight ahead before me I see  
That's the way it goes

That's the way it goes  
And if you're thirsty  
Drink my words
