Hook [Murphy Lee, (Jazze Pha & Sleepy Brown)]

(I'ma make ya luv me baby)
I'ma make ya luv me baby, hug me baby
Place no one above me baby
(Make you wanna kiss and hug me baby)
Kissin' and huggin', huggin' and kissin'
(Give me a chance, girl I'm the man)
Give me a chance I'm the one that ya missin' come on..

(I'ma make ya luv me baby)
I'ma make ya luv me baby, hug me baby
Place no one above me baby
(Make you wanna kiss and hug me baby)
Huggin' and kissin', kissin' and huggin'
(Give me a chance, girl I'm the man)
Give me a chance I'm the one ya lovin' come on..

Verse 1 [Murphy Lee]

I'm sorta like my brotha but very different from others
Like a special police man, I'm always under cover
I'll love you if you love me, I kiss only if un-kissable
Keep em if they keep able, diss em if they dismissible
(Luv me baby)
Skool Boy, fence a tool, make it outside the visit room
Teachin you, makin you listen to me like a principal
Sendin' you, flowers and candy to your family
And I think it's cute how you used to live wit yo granny,
maan (Luv me baby)
Work in the mornings, school in the evening, weekday
to weekend
Teachin reasons I'm the one you believe in
Demolish ya def, acknowledge yourself
Now you rock a small belt from my nutritional belt (Luv
me baby)
I'm the god mami, teach you what you need to be
taught

And these feelings that I brought, ma they all in ya
thoughts
You can't love nobody 'til you love you
So when you do love somebody you'll know what to do
come on..

Hook [Murphy Lee, (Jazze Pha & Sleepy Brown)]
(I'ma make ya luv me baby)
I'ma make ya luv me baby, hug me baby
Place no one above me baby
(Make you wanna kiss and hug me baby)
Kissin' and huggin', huggin' and kissin'
(Give me a chance, girl I'm the man)
Give me a chance I'm the cat that ya missin' come on..

Give me a chance I'm the cat ya lovin' come on..

Verse 2 [Murphy Lee]
See I'm the man like groom and husband
Grandfather or daddy, brother, uncle man nephew or
cousin
I'm the 1 like Tracy McGrady, play wit me or play me
Make me a man or make me your baby (Luv me baby)
Spoil me mama, back rub oil me mama
When I'm left over aluminum, foil me mama
I'ma be therre when you wake up hungry
You can call me your homie
I'ma be therre when you straight up lonely (Luv me
baby)
And I ain't tryin' to get mushy ya dig?
And all pushy ya dig? I just like the fact ya tushy is big
Can I touch it, touch it? maybe caress it and rub it?
Take advantage of it, show me your private booty in
public (Luv me baby)
You actin fresh this way like "But guess"
But really you princess cut, invisible set
The credible sex, way way ahead of the rest
Best personality, face, booty and chest

Hook [Murphy Lee, (Jazze Pha & Sleepy Brown)]
(I'ma make ya luv me baby)
And I can make ya luv me baby, hug me baby
Place no one above me baby
(Make you wanna kiss and hug me baby)
