My girl, my girl, my girl X 2
O, I know you wanna be, my girl, my girl
We feeling good as we going out tonight, night
Homies on my left, hearties to my right, right
On the floor, see we're shouting across the room
The wing is shaking good as my heart going boom
boom
And girl tell me what's your name?
And baby how you wanna play this game
You want it fast or slow? Girl just let me know

You know you wanna be, my girl
Yeah, I see that you're wanting me, with those eyes
baby calling me
My girl, if you were mine, I'd make it rain all the time
I'll be your number one, baby the only one
And you know that I would do anything to call you my
girl
If you were mine, I'd make it rain all the time
My girl, my girl, aw, I know you wanna be,
My girl, my girl, my girl

So here we are baby, dancing on the floor, floor
And the way you move got me wanting more, more
So let's keep dancing all night baby move it to the left I
will spin you to the right
Now we're moving like and I know you feeling alright
So baby don't be afraid girl just get my way

You know you wanna be, my girl
Yeah, I see that you're wanting me, with those eyes
baby calling me
My girl, if you were mine, I'd make it rain all the time
I'll be your number one, baby the only one
And you know that I would do anything to call you my
girl
If you were mine, I'd make it rain all the time
My girl, my girl, my girl, my girl, my girl

Cause I've never seen a girl like you
I keep pushing that you feel the same way that I do
The same crush, no, you're so much more, no

I'll do anything, won't you be my girl
My girl, if you were mine, I'd make it rain all the time
And you know that I would do anything to call you my
girl
If you were mine, I'd make it rain all the time
Yeah, I see that you're wanting me, with those eyes
baby calling me
If you were mine, I'd make it rain all the time
Number, one, baby, the only one
Yeah, I see that you're wanting me, with those eyes
baby calling me
If you were mine, I'd make it rain all the time
