I saw you make it to the inside
you finally have a name
to pull you on the outside
but hey I'm ok

You were the one that would always tell me
do what you do, It'll make you happy
Hey man, look at you now

Are you gonna get out?
Get out, get out
NOthing's in the way
You gonna get out, get out, get out
You gonna lead the way, you would say
No way

I heard you talking in the background
That I am in your way
Well girl the gossip is a letdown
you graduated to the incrowd, what now?

Are you gonna get out?
Get out, get out
Nothing's in the way

You gonna get out, get out, get out
You gonna lead the ay, you would say
No way (x3)

I will lead the way (It's such a letdown)
I will lead the way (It's such a letdown)
I will lead the way (It's such a letdown)
I will lead the way (It's such a letdown)

Are you gonna get out?
Get out, get out
Wash it away
You gonna get out, get out, get out
You gonna lead the way

You gonna get out?
Get out, get out

Nothing's in the way
You gonna get out, get out, get out
You gonna play the game, you would say
No way (x3)
