(Murphy Lee)

Verse one

What's gon be today(Let's see)  
The yellow Benz or the red Navi  
Ani mini miney moe  
That's the way I pick when I'm ready to roll  
Murph durph got dillenmas wit his vehcle  
That's the way it go when you got money to blow  
Ho!

Well then say no mo

Just think I was on my way to da sto'  
I got scratch but I don't got nails  
Got my own truck but I wanna drive trails  
Plus I want a house in ATL  
And that depends on the sells  
And I'm tryna get a mill  
Befo' my album hit the shelves  
And I ain't talkin' 'bout no signing bonus  
Ticks went platium to remind you homie  
I'm not a restroom  
So ain't no need to stall  
And I don't run, I walk by  
So I can give it to dem all

Chorus

I said hold up  
Wait a minute  
Let me put some  
Pimpin' in it now  
A big booty I'm recommending  
And I ain't been in this spot fo' a minute  
I said hold up  
Wait a minute  
Cause she wanna get  
Dirty wit it now  
Baby gurl wanna handle her business

I guess we'll be back when we finish

Bridge

I don't wanna leave by myself  
(Boy, you ain't gotta leave by yourself)  
Shit! Taxi! Awwwwwwww

Verse Two

I caught back on a earlier beat  
Four in da morning they be like "UH-UH naw I ain't  
sleep"  
Convenient whores  
Stay on top of convenient stores  
Keep pictures of me in they victoria secret drawers  
Keep sumting hot on tour  
Ken and Kiana make sure they know before  
What's really in store  
Our daughter wanted to call me Tori  
True story  
I created hoodrats  
So this new might bore me  
See I normally settle for sevens  
For eights I can't wait  
Nines be wanting time  
And dimes be wanting dates  
So now I got elevens and twelves  
Wit atleast 13 or 14 reasons why they fine as hell  
I hit 'em up like Blu Cantrell  
He He He He He He Hell  
I remember when you smashed the bell  
I'm just a dutty who can now you haters can't lie  
I'm like dat pie in the window  
I'm just too damn hot

Chorus

I said hold up  
Wait a minute  
Let me put some  
Pimpin' in it now  
A big booty I'm recommending  
And I ain't been in this spot fo' a minute  
I said hold up  
Wait a minute  
Cause she wanna get  
Dirty wit it now  
Baby gurl wanna handle her business  
I guess we'll be back when we finish

Bridge

I don't wanna leave by myself  
(Boy, you ain't gotta leave by yourself)

Shit! Taxi! Awwwwwwww

Verse three

Can I get a hey, hey  
I get ho, ho  
Not you the one behind ya gurl  
I don't spent two verses tryna find ya gurl  
And if you need a sex deal let me sign ya gurl  
Just give me your information  
And I'll leave you in heavy rotation  
I wanna touch you where the sun don't shine  
I got a watch but I don't got time  
So if you wit it, then you wit it that's good  
But if you not I can simply take you back to the hood  
'Cause I love my hoes  
Pimpin' ain't easy but it's under control  
I got a lot of shit in me but I'm not a comode  
Cell phone, Area code overload  
I call Mannie and Lil' Wheezy in  
They said put Moses on the hook  
And make 'em move they fannie

Chorus

I said hold up  
Wait a minute  
Let me put some  
Pimpin' in it now  
A big booty I'm recommending  
And I ain't been in this spot fo' a minute  
I said hold up  
Wait a minute  
Cause she wanna get  
Dirty wit it now  
Baby gurl wanna handle her business  
I guess we'll be back when we finish

Chorus

I said hold up  
Wait a minute  
Let me put some  
Pimpin' in it now  
A big booty I'm recommending  
And I ain't been in this spot fo' a minute  
I said hold up  
Wait a minute  
Cause she wanna get  
Dirty wit it now  
Baby gurl wanna handle her business  
I guess we'll be back when we finish

Just give me your information  
And I'll leave you in heavy rotation  
(Fade until end)
