*[Murphy Lee]*

This is Murphy Lizzle  
On a Jazze production shizzle  
My nizzle, AHAAYY!

*[Hook - Murphy Lee, (Jazze Pha & Sleepy Brown)]*

(I'ma make ya luv me baby)  
I'ma make ya luv me baby, hug me baby  
Place no one above me baby  
(Make you wanna kiss and hug me baby)  
Kissin' and huggin', huggin' and kissin'  
(Give me a chance, girl I'm the man)  
Give me a chance I'm the one that ya missin' come on..

(I'ma make ya luv me baby)  
I'ma make ya luv me baby, hug me baby  
Place no one above me baby  
(Make you wanna kiss and hug me baby)  
Huggin' and kissin', kissin' and huggin'  
(Give me a chance, girl I'm the man)  
Give me a chance I'm the one ya lovin' come on..

*[Verse 1 - Murphy Lee]*

I'm sorta like my brotha but very different from others  
Like a special police man, I'm always under cover  
I'll love you if you love me, I kiss only if un-kissable  
Keep em if they keep able, diss em if they dismissible  
(Luv me baby)  
Skool Boy, fence a tool, make it outside the visit room  
Teachin you, makin you listen to me like a principal  
Sendin' you, flowers and candy to your family  
And I think it's cute how you used to live wit yo granny,  
maan (Luv me baby)  
Work in the mornings, school in the evening, weekday  
to weekend  
Teachin reasons I'm the one you believe in  
Demolish ya def, acknowledge yourself  
Now you rock a small belt from my nutritional belt (Luv  
me baby)  
I'm the god mami, teach you what you need to be

taught  
And these feelings that I brought, ma they all in ya  
thoughts  
You can't love nobody 'til you love you  
So when you do love somebody you'll know what to do  
come on..

*[Hook - Murphy Lee, (Jazze Pha & Sleepy Brown)]*  
(I'ma make ya luv me baby)  
I'ma make ya luv me baby, hug me baby  
Place no one above me baby  
(Make you wanna kiss and hug me baby)  
Kissin' and huggin', huggin' and kissin'  
(Give me a chance, girl I'm the man)  
Give me a chance I'm the cat that ya missin' come on..

(I'ma make ya luv me baby)  
I'ma make ya luv me baby, hug me baby  
Place no one above me baby  
(Make you wanna kiss and hug me baby)  
Huggin' and kissin', kissin' and huggin'  
(Give me a chance, girl I'm the man)  
Give me a chance I'm the cat ya lovin' come on..

*[Verse 2 - Murphy Lee]*  
See I'm the man like groom and husband  
Grandfather or daddy, brother, uncle man nephew or  
cousin  
I'm the 1 like Tracy McGrady, play wit me or play me  
Make me a man or make me your baby (Luv me baby)  
Spoil me mama, back rub oil me mama  
When I'm left over aluminum, foil me mama  
I'ma be therre when you wake up hungry  
You can call me your homie  
I'ma be therre when you straight up lonely (Luv me  
baby)

And I ain't tryin' to get mushy ya dig?  
And all pushy ya dig? I just like the fact ya tushy is big  
Can I touch it, touch it? maybe caress it and rub it?  
Take advantage of it, show me your private booty in  
public (Luv me baby)  
You actin fresh this way like "But guess"  
But really you princess cut, invisible set  
The credible sex, way way ahead of the rest  
Best personality, face, booty and chest

*[Hook - Murphy Lee, (Jazze Pha & Sleepy Brown)]*  
(I'ma make ya luv me baby)  
And I can make ya luv me baby, hug me baby  
Place no one above me baby

(Make you wanna kiss and hug me baby)  
Kissin' and huggin', huggin' and kissin'  
(Give me a chance, girl I'm the man)  
Give me a chance I'm the cat that ya missin' come on..  
(I'ma make ya luv me baby)  
I'ma make ya luv me girl, hug me girl  
Place no one above me girl  
(Make you wanna kiss and hug me baby)  
Huggin' and kissin', kissin' and huggin'  
(Give me a chance, girl I'm the man)  
Give me a chance I'm the cat ya lovin' come on..

I need an erryday girl, an all day provider  
Don't matter if I'm behind her, as long as I'm inside her  
She be wit it and I don't wanna be commited  
As long as I don't forget it, the night after I hit it  
She cool mayn, neva disrespectin' me  
As long as I can help her wit a few Bill Belamys  
And she ain't even tellin' me I'm the only dertty she dig  
And if she do I'ma tell em how we better off bein
