Verse 1:

I wanna be a little piece of history  
Let?s go!  
I wanna be a painting for all to see  
Let?s go!  
Take a trip, take a big hand full of these  
And swallow  
Just a headache, a fuzzy memory tomorrow

Chorus:

I wanna be a warhol, hanging on your wall  
You down there looking up at me  
I wanna be a warhol  
Displayed on your wall  
Hung up there standing back at you  
Staring back at you

Verse 2:

Give me a taste of your misery  
Let?s go!  
Won?t you please come play chemistry?  
And sorrow  
I can?t believe anything that you?re telling me  
Let?s go!  
The walls are closing in and melting  
Nice and slow

Chorus:

I wanna be a warhol, hanging on your wall  
You down there looking up at me  
I wanna be a warhol  
Displayed on your wall  
Hung up there standing back at you  
Staring back at you  
Staring back at you  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
O-o-o-o-oh

I wanna be a warhol, hanging on your wall

Staring down at you  
I wanna be a warhol  
Displayed on your wall  
Still hung-up on you  
Still hung-uW on you  
Still hung-up on you
