The moon is full, my arms are empty  
All night long I've pleaded and cried  
You always said the day that you would leave me  
Would be a cold day in July

Your bags are packed, not a word is spoken  
I guess we said everything with good-bye  
Times move so slow and promises get broken  
On this cold day in July

Sun's comin' up, comin' up down on Main street  
Children shout as they're running out to play  
Head in my hands here I am  
Standin' in my bare feet  
Watchin' you drive away  
Watchin' you drive away

You said that we were gonna last forever  
You said our love would never die  
It looks like spring and  
It feels like sunny weather  
But it's a cold day in July

Oh sun's comin' up, comin' up  
Down on Main street  
Children shout as they're running out to play  
Whoa head in my hands  
Here I am standin' in my bare feet  
Watchin' you drive away  
Watchin' you drive away

The moon is full and my arms are empty  
All night long how I've pleaded and cried  
You always said the day that you would leave me  
Would be a cold day in July

Here comes that cold day in July  
Oh  
Yeah  
Oh yeah  
La da da la da da la da da  
Oh Ooo
