You say you wanna let me go Well there's one thing that you should know I'll walk away willingly And you'll never even hear me leave I'll go quietly I'll go silently

But I'll go crazy without you Insane with a heart so blue They'll have to lock me away And I won't last one day Without you baby I'll go crazy

I never thought I'd see the day When I'd have to walk away But I still think there's a ray of hope But you're the one who's letting go I'll go easily I'll go where you please

But I'll go crazy without you Insane with a heart so blue They'll have to lock me away And I won't last one day Without you baby I'll go crazy

I'll go and take the blame I'll go down in flames

But I'll go crazy without you Insane with a heart so blue They'll have to lock me away And I won't last one day Without you baby I'll go crazy Hey I'll go crazy Well I'll go crazy
