I've never ask you where you're goin'  
I've never ask you where you've been  
I've never called and checked your story  
You stayed out with all your freinds  
I've never tried to catch you lyin'  
I didn't want to know the truth  
I'd rather go on lovin' blind girl  
Than go on lovin' without you

I wish I didn't know now what I didn't know then  
I wish I could start this whole thing over again  
I'm not sayin' it's you could never be true  
I just don't wanna know how it ends  
You'd still have my heart in the palm of your hands  
I'd still look like a fool in front of your friends  
Yeah I wish somehow I didn't know now what I didn't  
know then

I've always said what I don't know  
Couldn't hurt as bad as leavin' you  
Turns out I knew what I was thinkin'  
It ain't an easy thing to do  
Well I guess I should be goin'  
I sure found out too much to stay  
Please don't say your sorry  
I might wait another day

I wish I didn't know now what I didn't know then  
I wish I could start this whole thing over again  
I'm not sayin' it's you could never be true  
I just don't wanna know how it ends  
You'd still have my heart in the palm of your hands  
I'd still look like a fool in front of your friends  
Yeah I wish somehow I didn't know now what I didn't  
know then

You'd still have my heart in the palm of your hand  
I'd still look like a fool in front of your freinds  
Yeah I wish somehow I didn't know now what I didn't  
know then  
Yeah I wish somehow I didn't know now what I didn't  
know then
