Well I never really knew you 'til you said goodbye  
You said it's finally over, here's the reasons why  
You said you've heard enough of all those little lies  
I never really knew you 'til you said goodbye

Well I thought I made you happy but you've proved me  
wrong  
I thought I was the one that really turned you on  
When I came home tonight all my things were gone  
I guess gettin' over me didn't take you long

Well I never really knew you 'til you said goodbye  
You said it's finally over, here's the reasons why  
You said you've heard enough of all those little lies  
I never really knew you 'til you said goodbye

Well I never really knew you 'til you said goodbye  
You said it's finally over, here's the reasons why  
You said you've heard enough of all those little lies  
I never really knew you 'til you said goodbye

Well, you said you'd heard enough of all those little lies  
I never really knew you 'til you said goodbye  
No I never really knew you 'til you said goodbye
