Look at them now

Look at them do

Look they found the dove

Their vastness too

Whirlpools whirl

And dragnets drag

Love me do oh love me do

Love me find the dove

This vastness sings a pretty song

This vastness must be love

Give me three the gift of one

Whose science can't describe

Whose eyes are peeled like atom bombs

Their spirit is the prize

The sufi three winged flight they soar

All sacral join all hearts

A cavern gasps a dragon screams

The jinn men smash the ark

Four guides float four dots of God

Realistic haqq is theirs

Mystic men whose eyes are sore

From trials of bigger lairs

Look at them now

Look at them do

Look they found the dove

Their triad song too

A grey surprise

Swirls below

They could be happy too

The ides of march

Whirlpools whirl

And dragnets drag

Whirlpools whirl

And dragnets drag

Whirlpools whirl

Dragnets drag

Hell is not the fire

Hell is your belief

In yourself as the higher

Four guides afloat

Four dots of God

Look they found the dove

Their triad song too

Whirlpools whirl

Dragnets drag

Hell is not the fire

Hell is your belief

In yourself as the higher
