[Count Bass-D]

Uhh.. yeah..

Uhh! Yeah..

Uhh.. yeah..

Uhh.. yeah..

[Bass-D *singing*]

Do you want my love? (Not really)

T-Boz tried to talk to me (Well that's alright)

"Stop lying!"

You don't have to believe me (Do you want my love?)

It may have been a big mistake (Well that's alright)

And if it was my heart will break (Do you want my love?)

I'm serious, T-Boz tried to talk to me (Well that's

alright)

"Yeah I ain't bullshittin!"

You don't have to believe me (Do you want my love?)

It may have been a big mistake (Well that's alright)

And if it was my heart will break

[Count Bass-D]

So have you ever heard of a group called TLC?

With hits "Ain't 2 Proud 2 Beg" and "Baby Baby Baby"

New Year's Day of 1992

I was chillin with the Leaders of the New

at the Fox Theater Venue

Atlanta, Georgia - where the girls don't ignore ya

Geronimo had TWO girls, and said, "This one's for ya"

The two were close related in fact sister kidren

and I was schemin on a way to get her into bed

1992 and I was rhymin for fun

Had the thickest new style -- but no demo done

I wasn't feelin down about my past situation

I had only seen TLC, on Video Vibrations

Yes, this is just before they blew up

while I was gamin on the girl I had a chance to look up

TLC walked in for my man Yusef

Left Eye is her name cause she played me (to the left)

The girl I was with was silly, so was ..

but I was tryin to get on T-Boz any motherfuckin way

But what was I to say? Hey sheeyit, I was a nobody

and nobody had ever heard of Count Bass-D

or TLC, but my despair turned into glee
When T-Boz pushed up and introduced herself to me
My heart went mushy, I know you don't believe me
but T-Boz, of TLC, tried to talk to me

[Bass-D *singing*]
Man really, T-Boz tried to talk to me
"Stop lying!"
Heh, you don't have to believe me
It may have been a big mistake
And if it was my heart will break
I'm serious, T-Boz tried to talk to me
"Yeah I ain't bullshittin!"
You don't have to believe me
It may have been a big mistake
And if it was my heart will break

[Count Bass-D]
Huh, yeahhhh, I saw you on TV last week
'ello T-Boz, my name is Count Bass-D
I was thinkin last week, while I was watchin your video
clip
than when I got rich I had to kiss your lips
That's how I wanted to step, but I had my doubts
about her findin out, about my lack of clout
I guess she saw me with the Leaders and assumed I
had a record deal
but I was mesmerized with her sex appeal
Rumors ran free, that she loved Jodeci
Who gives a FUCK about K-Ci, he's just as skinny as
me!
Heh, don't get me wrong at singing songs nobody's
better
but +I Get Around+ like 2Pac and chain letters
But this time, I simped though, got played like a wimp
though
The Pharcyde said it fly, she kept +Passin' Me By+
Not even ?Meryl Stuben? could have been more
friendly
Huh, T-Boz tried to talk me yo..

[Bass-D *singing*]
Man really, T-Boz tried to talk to me
"Stop lying!"
You don't have to believe me
It may have been a big mistake
And if it was my heart will break
I'm serious, T-Boz tried to talk to me (word)
"Yeah I ain't bullshittin!"
You don't have to believe me
It may have been a big mistake

And if it was my heart will break

[Count Bass-D]

Last time y'all, uhh

Females only step to niggaz once in a while

and you should react, if she seems worthwhile

T-Boz was a goddess, I'm honest, I wouldn't to lie to ya

but I procrastinated like a paper overdue

I know you're sayin, "He's just a crumb, he couldn't get none"

But T-Boz was a female who was full of sincerity

I know it sounds hard to believe

and I could give a FUCK if you believe

but T-Boz tried to talk to me

[Bass-D *singing*]

(Do you want my love?)

Man really, T-Boz tried to talk to me (Well that's alright)

"Stop lying!"

You don't have to believe me (Do you want my love?)

It may have been a big mistake (Well that's alright)

And if it was my heart will break (Do you want my love?)

I'm serious, T-Boz tried to talk to me (Well that's alright)

"Yeah I ain't bullshittin!"

You don't have to believe me (Do you want my love?)

It may have been a big mistake (Well that's alright)

And if it was my heart will break

Mistake..
